

# MISSIONARIES to the MILITARY

## SUMMER IS HERE

*"I wait for the Lord, my soul doth wait, and in his word do I hope."  
Psalm 130:5*

With 2010 half gone, we look back over the past 6 months and wonder "where did the time go?" We began the year on the run and haven't slowed down much, especially during the past 4 months. Here is a brief summary of the spring and some plans, requests and ideas for the last half of the year.

**NEW HOME LOCATION AND ADDRESS . . .** After living on Missions To Military property at the Center for the last 15 years, we finally have a place we can call home. The Lord opened an opportunity for us to purchase 1.1 acres of land in a nice neighborhood located just outside Goldsboro. Through a lengthy process and LOTS of work, we finally had our manufactured home moved and spent our first night in the new location on May 15. We NEVER want to undergo that ordeal again. We affectionally call our new place "THE FARM" but it is our neighbors who have the large garden, farm animals and the pasture - we only enjoy the sights, smell, and sounds of 'farm life.' We are so thankful for this provision from the Lord.

**New Home address:** 752 Riverbend Road, Goldsboro, NC 27530

**Home Phone Number:** (919) 739-4965

Of course, we still receive mail at the Center address and check the phone messages there almost daily.

Speaking of a new home, our Texas Family will be leaving their duty station at Sheppard AFB, Texas, on July 16. It has been a long 5 years since they left North Carolina and we are looking forward to having them on the East coast in Virginia just 3½ hours from us. They already have a house rented and will move in on August 3. **WELCOME HOME BRIAN, JENNIFER, EMILY AND SAVANNAH!!**

**THE CENTER MINISTRY . . .** Nathan, our last resident at the Center, left in April for Korea. Others have developed interests in other areas and drifted away. Therefore, the Center is in a rebuilding stage again. We have been here before and the Lord has always provided Airmen to take advantage of the excellent facilities God has built for

them near Seymour Johnson AFB. Of the new Airmen to arrive daily at the base, we know God has some that will be searching for a place to call "home." There are several factors in our favor to make this happen:

- Most importantly, God can move on the hearts of those who have a need.
- I still have my base pass.
- The base chaplain, a believer, favors our ministry and we have his support along with several other chaplains and those in key leadership positions on base.
- I am still part of the Airman's Outreach Committee which plans quarterly events on base for Airmen.
- I have offered my services as a volunteer to man the Airman's Center on base. This would put me in a place to make contacts with new Airmen and those who live in the dorms. **Please make this a matter of prayer** for this door to open if it is God's will.
- *Gary* has renewed his commitment to ministry among Airmen and will be a great asset to this ministry. He now has a permanent civilian position on base as well as being in the AF reserves. I have written about him in previous news letters.

Even though our young Airmen are sheltered to a great extent from the Gospel and the truths of God's Word, there are needs in their lives that only God can meet. **Pray** for us to have the wisdom and effectively use the necessary resources to reach them for Christ.

**OUR HEALTH . . .** This seems to be an increasingly **urgent matter of prayer** that we share with you each newsletter. Recently I got caught in an unexpected rain shower and decided to run through it, but discovered that my legs would not cooperate with my brain to run. For the first time in my life, I cannot run. We are slowly discovering there are many things we use to do that we can't do anymore. Both of us recently had lab work which reflects matters of our health that will need more close attention during the months ahead. I turn 68 in July and Linda isn't far behind. We thank God for the wonderful years He has given us to serve Him and enjoy our lives together. Linda's mom recently turned 86 and her health is holding up well. We will keep her in our home as long as we are physically able to care for her. She has been with us a little over 7 years.

#### **PRAISES:**

- The Lord opened an opportunity for me to preach several Sundays at a nearby church without a pastor.
- God has met our financial needs to make this move to our new property.
- Our support level remains good even though we have lost some support because of the economy.
- We Praise Our God for **YOU Who Faithfully Give and Pray for Us.**

*"I thank God for the Unseen Hand, sometime urging me onward, sometimes holding me back; sometimes with a caress of approval, sometimes with a stroke of reproof; sometimes correcting, sometimes comforting. My times are in his hand." -Vance Havner*
